

## ROGERS GOES TO JAIL FOR BOOZE LAW VIOLATIONS

Failure to "Behave" in Future Will Mean Penal Farm Term, Judge Warns.

Alvin Rogers, former "soft drink" parlor proprietor, and one of the first liquor law offenders to be put upon probation by City Judge Du Comb, had his former suspended sentence revoked in city court Monday and at once began serving time in the county jail. Rogers will be Sheriff Duck's guest for 30 days.

The defendant was before the court a second time, the result of his arrest early in October when ex-Policeman John B. Clemens was caught by police officers running out of Rogers' home, 321 E. Marion st., with a quart bottle of illicit liquor.

Rogers was taken into custody at a previous time at his former drink emporium in the old Nickel hotel. Several bottles, some of which contained bonded whisky, were seized. On Jan. 14, two months after his arrest, he withdrew a change of venue from ex-City Judge Omacht, and accepted a suspended jail sentence by the new incumbent.

Disposing of Rogers' second case of liquor law violation, Judge Du Comb placed the defendant upon probation and suspended a minimum fine and a six-months penal farm sentence against him. A third offense, warned the court, would provoke a revocation of this sentence and require Rogers' commitment to the penal farm for the maximum time prescribed by law.

**Tuberculosis League in Report Shows Activity**  
Much was accomplished during the month of October by the Tuberculosis League, according to the report of the secretary at a meeting of the board of directors.

Two hundred and eighty-five office interviews and 45 outside visits, including those to four schools, were reported, besides those made by the nurse.

Two hundred and six letters, and 1200 supplies were sent out from the office.

Seven meetings were attended, at which talks were given by the executive. Seven exhibits were shown.

The milk squads were organized for four schools, and 861 bottles of milk supplied.

The nurse, Miss Merle Doty, reported 42 new patients examined and 17 re-examinations. She made 13 visits, and now has 77 patients on the list. Six were admitted at Healthwin.

The nutritionist, Miss Marjorie Clark, reports shows that on the nutrition classes at the Lincoln and Franklin schools, there were 13 pupils in the Lincoln class, and 15 at the Franklin, all of whom have been visited at their homes and examined by a doctor. Nine and one-half pounds were gained during the month.

Miss Hufford, Miss Doty, and Miss Clark all attended out of town conferences, and three officers of the board were present at an Indianapolis meeting.

**Rev. Elmer Ward Cole Addresses Club Members**  
A resolution approving the recommendation that the Naval appropriation bill shall provide an appropriation of \$250,000 for the maintenance of the Great Lakes Naval Training station which is threatened with abandonment, was passed by the Chamber of Commerce at their weekly luncheon at the chamber auditorium this noon.

The resolution was sent by the "Save the Great Lakes" committee of Chicago to all the large cities of the Middle West to be acted on and recommended further that a minimum of 1,000 men shall be maintained under general recruiting training in addition to the authorized quota of men for instruction in trade schools, in order to insure efficient and economical operation.

"The Soul of the City" was the subject of a talk by Rev. Elmer Ward Cole of the First Christian church.

**WAS A BROKEN-DOWN WOMAN**  
Then I Began Taking Lydia E. Pinkham's Medicines

Donaldsonville, La.—"I write with pleasure to praise your medicine—Lydia E. Pinkham's Vegetable Compound—which has done so much to restore my health. I was a broken-down woman until my husband brought me a bottle of your Vegetable Compound and one of Lydia E. Pinkham's Blood-Medicine. I had been having pain every month and at intervals between, was weak and seemed to be smothering at times, but in a week I felt like another woman. I also used Lydia E. Pinkham's Sanative Wash. It did me a lot of good too. I cannot praise your medicines too much and will be more than glad to recommend them to any woman who is suffering from female troubles. You may print my testimonial, as it is true."—Mrs. I. A. LANDRY, 612 Miss. St., Donaldsonville, La.

Note Mrs. Landry's words—"as it is true." Every letter recommending Lydia E. Pinkham's Vegetable Compound is genuine. It is a statement telling the merits of these medicines just as the women in your own neighborhood tell each other.

## Why the Nation Demands Calumet

—because it has more than the ordinary leavening strength; it raises millions of bakings every day to a light perfectly baked perfection that cannot be equaled.

—because it contains white-of-egg—the vital element that gives the housewives protection against using a baking powder that has lost its original leavening strength. It assures light, tender, tasteful things every time you bake.

—because it is economical—pure, sure and wholesome.

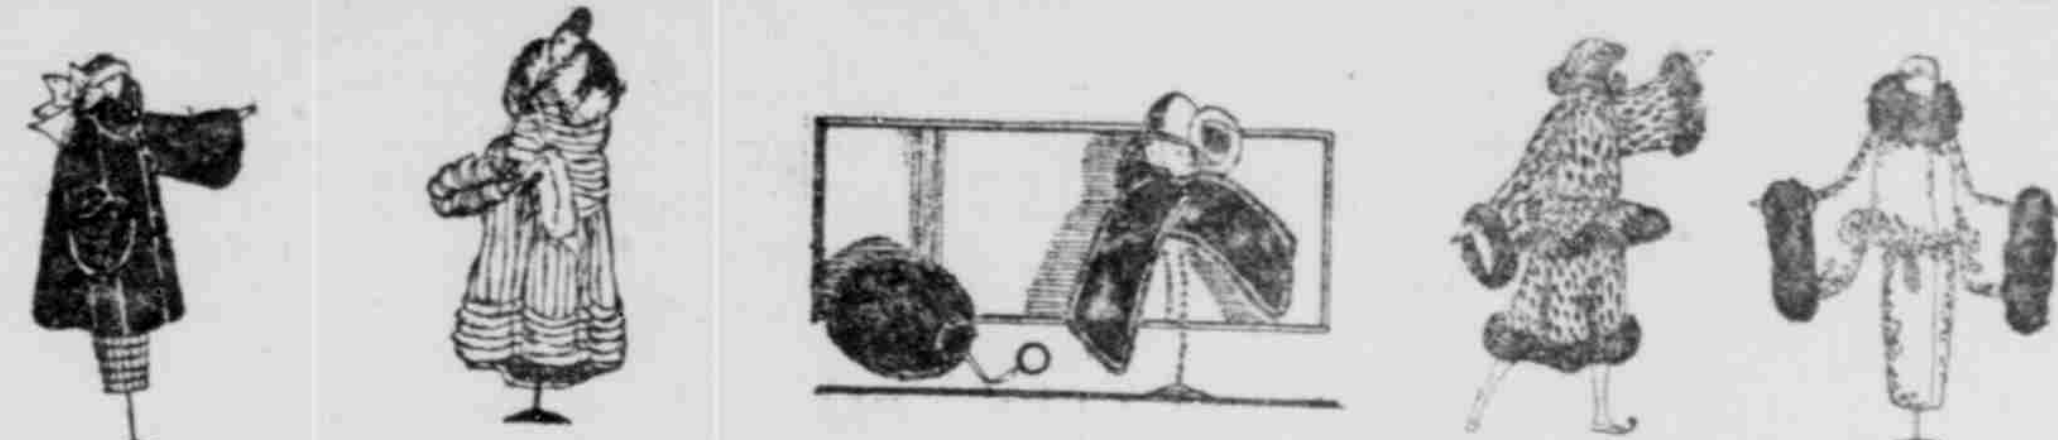

That's why the sale of Calumet is over 150% greater than that of any other baking powder.

A pound can of Calumet contains full 16 ounces. Some baking powders come in 12 ounce instead of 16 ounce cans. Be sure you get a pound when you want it.
